Explanation of significant increases in the budget:

Reserve balances were utilized in the Employee Benefits fund the last two fiscal years. Those are now depleted and the full amount necessary is being requested. One of the GO Bonds has been paid in full in fiscal year 2022, which will reduce the amount necessary for Debt Service (not included in this notice).

*Total city tax rate will also include voted general fund levy, debt service levy, and capital improvement reserve levy.

**Budget year effective property tax rate is the rate that would be assessed for these levies if the dollars requested is not changed in the coming budget year
