

Winter Reminder

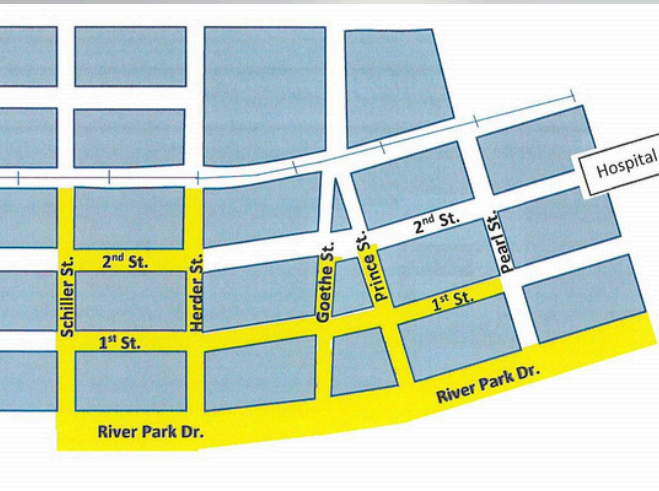

Winter will still be with us for a few more weeks, and if we do get snow and/or ice, it's important to remember:

- Clear your sidewalks within 24 hours after a snowfall so that pedestrians may have a safe path.
- Do not scoop or blow your snow into the street.
- Make sure fire hydrants in your area are clear of snow.

Snow Ordinance

No parking from 2 am - 8 am, until snow removal is complete. A listing of the streets included in this restricted area can be obtained from the city office or city website.
